Plan of Entry and Promotion of Junior Clerks and Messengers (Male).

1. Entry to the Provincial Government Service of Junior Clerk (male) shall be by written competitive examination.

2. Applicants must be at least 16 and not more than 19 years of age.

3. Examinations shall be conducted throughout the Province at such centres as may be decided upon as convenient to the applicants desiring to compete; and at the time of examination applicants shall state if they are willing to accept an appointment to a vacancy which may occur in any other district than that in which the applicant is domiciled.

4. Upon qualification and appointment of a Junior holding a High School Matriculation Certificate the initial salary shall be \$55 per month for the first year, \$65 for the second year, and \$75 for the third year. Junior Clerks not having Matriculation Certificates, upon qualification and appointment shall receive an initial salary of \$45 for the first year, \$55 for the second year, and \$65 for the third year. Any Juniors matriculating after entering the Service shall receive the higher rate of pay from the date of matriculation.

5. In the case of Juniors who may qualify during the period mentioned in Regulation 4 as Typists or Shorthand Typists, they shall be granted a special increase of salary of \$5 per month and \$10 per month respectively. The said Juniors shall be permitted to sit for examination for qualification as above at any Stenographers' examination which may be held during the three-year period.

6. The salary of a Junior Clerk shall be fixed according to Regulations 4 and 5 independent of the Department to which he may be transferred.

7. An examination of Juniors shall be held after completion of three years service, on knowledge of the practical work of the Departments passed through and the various Acts dealt with by all Departments according to a curriculum to be established.

8. Juniors (unless going in for special training for work in the service of the Provincial Government) shall serve in different Departments yearly whenever possible, and promotion shall be made on results of examination plus reports of Departments passed through, such reports to be completed and in the possession of the Civil Service Commissioner, or examining official or officials, before the examination is taken.

9. Juniors shall be permitted to sit for the third-year examination only if reported on favourably by Departments passed through.

10. On passing the third-year examination all Juniors shall receive \$90 per month plus such special pay as may have been previously earned prior to receiving promotion in order of seniority acquired by examination, when the commencing pay of the position the individual may be appointed to shall be received together with such living allowance as may have been fixed for the locality.

11. Juniors whose three years expire between examinations may sit for examination immediately prior to expiry of probationary period.

12. Consent to go anywhere required while in the Civil Service shall be a primary condition of entry to the Service; but no move shall be compulsory until a minimum salary of \$90 has been reached.

13. Passed Juniors at agencies and other outside services shall be interchanged with Passed Juniors at Victoria for further training and vice versa.

14. Training shall be looked upon as the principal feature to be observed by Departments in connection with Juniors, and change and promotion to other Departments shall be arranged wherever possible by co-operation of Deputy Ministers.

15. Juniors may be retained in one Department if going in for special work in the Government Service, such as draughting or other specialized work.

4. Increases shall be given by recommendation only.

5. Junior Messengers may apply at any time to sit for examination (Entrance) as Junior Clerks, if not debarred by age or other cause. 7835-de26

3. The pay of Stenographers shall be \$65 per month for the first year, \$70 per month for the second year, and \$75 per month for the third year, annual increases being given subject to satisfactory work and good conduct. At the end of three years' service, Stenographers shall be classified according to the nature of the work attained to.

4. The classifications shall be settled by descriptions of the work laid down and numbered 1, 2, and 3, and shall cover a scale of salaries corresponding in total range from \$65 per month to the maximum of the 111A Grade—\$135.

EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.

Rule 76.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867"—whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint-stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or

property or other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act—shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant. Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

72. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with copies of the notices published.* Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, or if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the paid fees shall be returned.

77. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 76, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principal, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page
